Adam's Place Moves into new Administrative Office inside Summerlin Hospital

Las Vegas (Monday August 3, 2020) - **Adam's Place**, is moving! Starting in September, the local nonprofit will be relocating its administrative office to Summerlin Hospital at 875 Town Center Drive, Las Vegas Nevada 89144. This new partnership between Adam's Place and Summerlin Hospital comes with the goal of helping to bring much needed resources to pediatric patients, their families, as well as the larger Las Vegas community.

Launched in 2009, Adam's Place provides grief support for kids, teens and families throughout Southern Nevada. In its new office, located in the lobby of Summerlin Hospital, the staff and interns of the nonprofit will continue to conduct its programs virtually via Zoom, in light of the current COVID-19 pandemic. Adam's Place founder, Kelly Thomas Boyers, said the widespread anxiety and fear over the Coronavirus are resulting in greater awareness of the importance of mental health resources, including those for youths receiving care at Summerlin Hospital.

"It is a natural progression to be relocating our administrative office into Summerlin Hospital," said Boyers. "We are excited and grateful for the opportunity. During these challenging times, we are fortunate to have the support to continue our mission. We have been working with Summerlin Hospital's Child Life Specialist team for a number of years, and now we will be able to enhance our support to pediatric patients and staff."

Adam's Place currently works with more than 300 youths every year. Its core program "Camp Cope" targets youths ages 5-18 and equips them with healthy coping skills to move forward after losing their loved ones. There is also an "in-school" component to Camp Cope which has just been extended to 10 campuses across the valley this fall. The non-profit also provides quarterly workshops on healthy coping skills for adults, along with training for teachers, counselors, and social workers.

To ensure all programs & services are available at no charge for kids, teens, and families, Adam's Place needs your financial support. One way to do this is to become part of the nonprofit's "Superhero Club". Donors can sponsor programs year-round by committing to giving just \$10 a month.

For more information on Camp Cope, Superhero Club, and other programs, please go to adamsplacelv.org or call 702.202.3891. All of the money received stay here in our local community.

ABOUT SUMMERLIN HOSPITAL

Summerlin Hospital is a member of The Valley Health System, a network of six acute care hospitals that provide care for patients throughout Southern Nevada and nearby communities. Located in the master-planned community of Summerlin, the 485-bed hospital offers emergency care, advanced cardiovascular care, women's health, comprehensive maternity services, a level III neonatal intensive care unit, a children's medical center, oncology care for adults and children, and specialty programs in stroke, chest pain, acute inpatient rehabilitation, advanced wound care and hyperbaric medicine, cardiac rehabilitation, and outpatient therapy services for adults and children.

ABOUT ADAM'S PLACE

Adam's Place, a local non-profit, was founded in 2009 to fill a gap in community services for children, teens, and families coping with loss. Adam's Place has provided services for over two thousands local children since its inception. Our programs include: Junior Camp Cope, Adult Parenting Skills Programs, In-School Camp Cope Programs, Music U Mentors, Quarterly Healthy Coping Workshops, Quarterly Family Connections Events, Spring Well Corporate Corporate Training, Guest Speakers and On-Site Support Group Facilitation and Training.
