***Adam's Place is reaching out to the community in search of recruiting more volunteer facilitators.***

Las Vegas (Tuesday February 23, 2021) - **Adam's Place**, a local non-profit organization founded to give children & teens an opportunity to connect with others who face similar life changing experiences, is in need of additional volunteer facilitators to better improve and ensure all team participants are receiving the proper support.

Adam's Place staff will provide volunteers with tools, knowledge, and expertise on how to facilitate group sessions with children, teens, and young adults who are grieving a loss. 1 in 14 children in the US will experience the death of a parent or sibling by the age of 18. A child's development can derail when they experience the death of a loved one and are not met with the appropriate support. Attendees will learn the fundamentals

of group facilitation through reading, discussing, and writing on materials presented and references in class. Attendees will learn the specific components of “Camp Cope”: activities, guidelines, facilitator skills, pre and post group surveys.

### **What are the qualifications in order to become a facilitator?**

Adam’s Place is looking for volunteers who enjoy working with children. You must have a willing heart to learn and understand that every single one of them cope with grief and loss differently.
