*Las Vegas (June 25, 2021)* - **Adam's Place** is excited to announce a new community partnership with Assistance League® of Las Vegas and their "Operation Bear Hug" program. To kickoff the new partnership, **Tuesday, June 29th at 10AM**, volunteers from Assistance League of Las Vegas will present Adam's Place with 125 brand new stuffed teddy bears. This event will take place at Adam's Place office at 1120 Shadow Lane, Las Vegas 89102.

Adam's Place currently works with more than 300 youth every year. Its core program "Camp Cope" targets young people ages 5-18 and equips them with healthy coping skills to move forward after losing their loved ones. The donated teddy bears from Assistance League® of Las Vegas will be placed inside the "coping skills" backpacks for our "Camp Cope" campers who will be taking part in programs starting early September and run throughout the school year.

"We are grateful to the Assistance League® of Las Vegas for stepping up and making this generous donation for our nonprofit," said Kelly Thomas Boyers, Founder & Executive Director of Adam's Place. "These teddy bears mean so much for children who are grieving and provide a source of comfort during these challenging times in their lives. We are thankful to be able to give them the support they need, and we definitely can't do our work without the support of our community partners."

Assistance League® of Las Vegas is a nonprofit that has been serving the Southern Nevada community for over 40 years. The chapter is an all-volunteer organization providing goods and services to children in need. Their philanthropic programs include "Operation School Bell®"

“Operation Bear Hug”, “AL’s Closet” along with a scholarship program for students attending 4-year or 2-year college or trade school that are accredited in the State of Nevada. For more information, please visit [allv.org](http://allv.org).
