**ADAM'S PLACE'S CAMP COPE PROGRAM EXPANDING IN
2022 TO HELP MORE FAMILIES COPING WITH GRIEF & LOSS**

Las Vegas (February 7, 2022): Las Vegas based nonprofit **Adam's Place** is expanding its signature social/emotional peer support program, **Camp Cope**, for kids, teens, and families coping with grief & loss. Starting this month, the 6 week "virtual" **Camp Cope** begins with close to 40 families taking part in weekly sessions online. Additionally, the "In School" **Camp Cope** program is now operating in 2 schools: Rancho High School and Red Rock Elementary School.

Adam's Place offers a 10 hour training program to certify schools to run their own "**Camp Cope**" sessions. The course focuses on training school counselors and social workers to be Camp Cope facilitators and run their own program at their own school.

"We will reach more children by training school personnel to run their own program," said Kelly Boyers, Founder and Executive Director of Adam's Place. "The pandemic has taken a physical and mental toll on many families and that need for social/emotional support is more critical than ever. In our **Camp Cope** groups, participants discuss and share activities with others with similar life-changing experiences. Our goal is to help our kids, teens and families experiencing loss make connections, build resiliency and healthy coping skills."
