

***Join us for a family fun run supporting kids,
teens, & family coping with grief & loss***

WHO WE ARE:

We provide grief services for children, teens and families in a peer support group setting. We have trained volunteer facilitators who lead and encourage group members to express the many feelings that are a part of the grieving process. We offer a safe and confidential home life setting for group members to discuss and share with others who share similar life changing experiences. Adam's Place provides grief services at no charge to the families. We are a non-denominational organization who respects all belief systems.

Adam's Place is a 501 (c)(3) non-profit organization that has been helping families in Southern Nevada since 2009.
