How does Adam's Place fill a gap in much needed mental health services?

Adam's Place facilitates peer grief support groups for local children, teens and adults, through our Camp Cope programs. We also train, and provide curriculum, to community organizations and schools to facilitate their own Camp Cope programs.

Camp Cope and our variety of therapeutic services builds resiliency, social-emotional skills and fosters connections that will last a lifetime for children, teens, and adults. Your sponsorship helps local families at one their most vulnerable moments in life. Thank you for your support.
